Provider Name and Location:	Angela Goedken 1680 Linden LN North Liberty

Complaint: Provider has a staff member who has a criminal record: a felon.

Rule Basis: 110.7(3) Record Checks

Findings: Unannounced home visit on 2/25/14. Provider denied having an assistant or substitute provider besides her daughter who has completed the record check process. No one else was in the home during the home visit. Called provider on 5/2/14 after receiving the complaint. Provider denied having any additional subs or assistants. Provider said she does know the person in question. There is not a conviction at this time. Court is in the near future. She is friends with the person but they do not assist her in her child care. Informed the provider if there is a conviction then that person could not be in the home when child care children are present. Provider agreed to this. This worker looked up the name of the individual on Iowa Courts on line and could not find anything but minor traffic violations.

Resolution: [Click here to enter text.](#) After observation of the home and interview with the provider there is nothing to substantiate the complaint.
